The Fight Against Water Privatisation Screening

Attendees are invited to an informal trailer screening of “Capturing Water” a documentary that follows three activists in Cape Town, South Africa, as they fight against the city’s water policies. The screening will be followed by a short discussion with the award-winning director Rehad Desai, Leonard Shang-Quartey, Coordinator of the Africa Water Justice Network, on the growing Africa Water Justice movement on the continent. This programme is organised by The Wallace Global Fund.
