Gala Dinner and Lifetime Achievement Awards

19h30 onwards

About the Lifetime Achievement Awards

Launched in 2021 at the 2nd African Philanthropy Conference, the Lifetime Achievement Award celebrates luminaries in the field while they are still alive. The Award is given to an individual who has made a significant contribution to the growth, practice, trajectory and meaning of African philanthropy for the last twenty plus years.

The Award also recognizes an individual who has contributed to mentoring leaders and practitioners in the philanthropy sector through various interventions and mechanisms. These include the provision of guidance, linkages with opportunities to improve oneself and their institutions, giving of their time, resources and networks as well preparing young leaders for succession.

Wear your finest or most vibrant African attire and join us for an experience that will give you an immersive taste of the wonder of Egypt as we celebrate an individual whose work has transformed our sector.
